Provincial Partners

We respectfully acknowledge the unceded ancestral lands of the Lheidli Tenneh, on whose land we live, work, and play.

2022 BC Summer Games General Rules

BC Games General Rules provide details of the general eligibility requirements as well as competition parameters and rules for inclusion in the BC Games. Only BC Games Society staff can approve exceptions or exemptions to the BC Games rules. In order to fully understand the rules and requirements for participation in the BC Games, it is expected that the BC Games General Rules will be read in addition to the [technical package for each sport](#).

COVID-19 Protocols and Vaccination Policy

Vaccinations are not required as a condition of entry for the BC Games. The BC Games Society has rescinded the policy that required all accredited BC Games participants, volunteers, and guests to be fully vaccinated prior to the Games. [Click here for more details](#).

- Staying healthy at the Games:
 - Participants and volunteers are asked to do a health self-assessment before the Games and each day of the Games and to refrain from participation/volunteering if they are not well.
 - Participants and volunteers are encouraged to access tools that can help protect them and others from COVID-19 and other communicable diseases. It is up to each person to make use of these tools to ensure we keep one another safe while at the Games. Refer to the [BCCDC Your Personal Toolkit](#) for more resources and tips.
 - Sanitization protocols will be in place at sport venues, accommodation sites, and other Games venues.
 - [Click here for information about staying healthy at the Games](#).

Codes of Conduct - Conduct of Participants

Exemplary conduct is expected of all Games participants (athletes, coaches, officials, adult supervisors). This is expected from the time Games participants board BC Games transportation (or arrive at the Games by their own transportation) until they return home.

All participants are bound by the BC Games Code of Conduct: for athletes, coaches, and officials.

Any behaviour contrary to the spirit of the BC Games or the BC Games Codes of Conduct or any violation of curfew regulations or BC Games polices, will result in

appropriate disciplinary action. Abuse of any BC Games rules by any participant in any sport may result in removal of that sport from future BC Games.

Participants at any BC Games are one of many outstanding athletes, head coaches, assistant coaches, adult supervisors, and officials who will be involved in competition. It is important that each participant show Games volunteers and all other Games participants the same respect they would want in return.

Any damages to a BC Games venue or infrastructure due to the actions of a participant(s) will result in disciplinary action and/or financial restitution by the participant(s) involved and/or their Provincial Sport Organization.

During the Games or during travel to/from the Games, any athlete, head coach, assistant coach, adult supervisor or official found to be under the influence of, or in possession of, drugs or alcohol, will be subject to appropriate disciplinary action.

The BC Games Society is committed to providing a sport, work, and volunteer environment in which all individuals are treated with respect and dignity and will have no tolerance for harassment or bullying. Each individual has the right to participate and work in an environment which promotes equal opportunities and prohibits discriminatory practices. All Games participants are expected to abide by the BC Games Society harassment policy. [See the policy for more information.](#)

Culture of the Games and Safety at the Games

Culture of the Games

The BC Games inspire exceptional experiences by creating a positive, respectful, inclusive, and accessible environment.

The BC Games Society believes that everyone associated with the Games:

- has the right to participate in an environment that is supportive, positive, respectful, accessible, and that contributes to exceptional experiences
- has the responsibility to contribute in a positive way to the experiences of everyone involved in the Games
- has the responsibility to contribute to a safe environment for the health and wellbeing of all Games participants

Refer to the Culture of the Games section of the BC Games Society website for policies, information, and resources.

Safety at the Games

The BC Games Society takes safety at the Games seriously and puts processes into place to help ensure the safety of all participants and volunteers.

Participants and volunteers play a role in their own safety and the safety of others and are expected to conduct themselves in a manner that does not put themselves or others into unsafe situations or environments.

Coaches and adult supervisors are expected to supervise their athletes at all times and are expected to look out for their safety.

Any unsafe situation or environment should be reported immediately:

- Athletes report to their coach, coaches report to their Provincial Sport Organization representative, Provincial Sport Organization representatives report to BC Games Society staff.
- Volunteers report to their supervisor or Chair, supervisors report to their Chair, Chairs report to their Director, Directors report to the President and Vice President, the President and Vice President report to BC Games Society staff.
- The BC Games Crisis Communication Plan guides disclosure and reporting processes.

That the BC Games Society expects all participants and volunteers to follow the following:

- That no one should be one-on-one in an isolated setting with a Games participant or volunteer.
- Individuals are expected to be aware of when they may be alone with another individual in an isolated setting and take action to ensure someone else can be with them or in the same room as them or within easy earshot of the discussion.
 - In the ideal situation when a coach needs to meet with an athlete that they ask another coach (from their zone or another zone) to be with them. If this is not possible, the coach could ask a volunteer at the venue to be present in the room or they could ask another athlete to be in the room.
- When asked to meet one-on-one with a coach, athletes should ask for another coach to be present, or if that is not possible, a volunteer, or another athlete.
- Volunteers should never put themselves in the position to be one-on-one in an isolated setting with another volunteer or any participants.

Conditions of Entry

[See complete Waiver here.](#)

Participant information is collected under the authority of the BC Games Society and will be used to determine eligibility and to arrange liability insurance coverage to address any claims arising from participating in the Games. The Participant's name,

address, email address, phone number, and/or image(s) may be used in non-commercial promotion/development of the Games or sport, which may include the provision of this information to the media, the Premier, the Minister responsible for the Games, members of the legislative assembly, local members of parliament, school principals, school district superintendents, local mayors, local municipal volunteer agency or department, and/or to BC Games Society sport partners, for the purpose of recognition, acknowledgement, informing of sport-related opportunities, and/or for commemorative materials made available for free or purchase. The BC Games Society will not be liable for any communication from a third-party group that receives the Participant's contact information after the two-year period under Canadian Anti-Spam Legislation expires. The two-year period begins at the conclusion of the Greater Vernon 2022 BC Winter Games.

Exceptions to Rules

Only the BC Games Society can set aside a BC Games Rule and can approve exceptions to rules outlined in BC Games Society General Rules or rules outlined in the sport-specific technical packages. Approval must be obtained by the BC Games Society Event Manager responsible for Sport through the Provincial Advisor or Provincial Sport Organization for the respective sport.

Eligibility of Participants

(a) Provincial Sport Organizations choose the age group of athletes to attend the BC Games within the BC Games Society Core Sport policy. Generally, they are under 18 and are athletes who have potential to move beyond local or regional competition to higher level competition and are generally in the higher end of the Learn to Train stage or the lower end of the Train to Train stage of the sport's Long Term Athlete Development (LTAD) model or Canadian Sport for Life (CS4L) framework. [Click here to review the Core Sport Policy.](#)

(b) Due to the level or age of athletes, some Provincial Sport Organizations have restricted the eligibility of competitors beyond those outlined in this section. [Refer to the technical package for each sport for information.](#)

(c) Athletes or teams competing in the BC Games must be members of their respective Provincial Sport Organization and their registration for the Games must be approved by the Provincial Sport Organization.

(d) The date for determining athlete ages for all events in a sport shall be no later than March 23, 2023, unless otherwise specified by the Provincial Sport Organization in the technical package for the sport.

(e) The BC Winter Games are open to individuals whose permanent residence/major domicile has been the Province of BC for at least three months immediately prior to the BC Games, with the following exceptions:

i) Athletes residing at an address in Canada but outside of BC are eligible for the BC Games if they:

- 1) reside near the BC border and associate primarily with British Columbia in school, league, club, or team play; AND
- 2) are members of the British Columbia provincial sport organization (PSO) for their sport; AND
- 3) they do not compete in any leagues, provincial competitions, or provincial Games of any other province or territory.

OR they are members of another provinces provincial sport organization (PSO) BUT they are not eligible to attend that province's provincial Games.

ii) when the above-noted exception is invoked, the following shall apply: No more than 30% of the allocated number of athletes and/or wildcards from outside the province shall be included on the zone team.

iii) athletes residing in BC but attending school outside the Province of BC AND who train in BC (i.e. permanent training program is in BC), are eligible to compete in the BC Games if they return to BC to compete in a qualification event for the zone in which they make their permanent residence or otherwise qualify based on sport or zone's established qualification process. Athletes qualifying under this rule are not considered out-of-province athletes; therefore, rule (e) ii) does not apply.

(f) Each athlete, head coach, assistant coach, and adult supervisor shall be registered for the zone in which they make their permanent residence. Exceptions to this rule may be considered by the BC Games Society for athletes who attend school in BC but outside of their zone and where it is not feasible for them to return to their zone because of distance, to compete in the zone qualification event(s) for their zone.

(g) Each athlete, head coach, assistant coach and adult supervisor may participate in only one sport at the BC Games.

(h) Each athlete may only attend one BC Games in the same sport, unless otherwise specified in the technical package for the sport. Athletes with a disability may attend

no more than two BC Games in the same sport unless otherwise specified in the in the technical package for the sport.

(i) Every zone with athletes attending the Games must have a head coach and an assistant coach. All head coaches must be NCCP Competition Introduction certified (or the equivalent) and all assistant coaches must be NCCP Competition Introduction trained (or the equivalent) unless otherwise specified in the technical package prior to participating in the BC Games. All adult supervisors must have completed the Safe Sport Training module.

(j) All coaches, adult supervisors, and any officials choosing to stay in Games accommodations are expected to undergo a criminal records review conducted by their Provincial Sport Organization and any other screening processes as required by the Provincial Sport Organization.

Entry Deadlines

(a) Zone qualification events: Consult with the respective Zone Representatives or Provincial Sport Organization for each sport for local qualification dates and any subsequent deadlines. Zone qualification dates are determined by each sport. [See the technical package for each sport](#) for details.

(b) Registration of Games participants (except officials): The BC Winter Games registration deadline of Monday, February 13, 2023 must be strictly adhered to. Information about the BC Games Online Participant Registration process will be sent to the Zone Representative for each sport (or the Provincial Advisor if a Zone Representative is not listed) approximately six months prior to the Games. The BC Games Online Participant Registration process must be used by each sport to provide the names, contact information, etc. of all athletes, head coaches, assistant coaches, adult supervisors, and substitutes from each zone. The Zone Representative should ensure the BC Games Online Participant Registration process is completed immediately after the zone qualification event(s) and should not wait until the February 13, 2023 to complete this process. The BC Games Society will send information, including a link to the Guide to the Games and other information regarding transportation, accommodation, accreditation, ceremonies, etc. directly to each registered participant within ten days of the registration deadline.

(c) Registration of Officials: Each Provincial Advisor will be sent information about the BC Games Online Participant Registration process so that they may register the predetermined number of officials for their sport by February 13, 2023. Officials registered after this date will not be entitled to stay in Games accommodation or

travel on Games transportation to/from the Games and will be required to make their own travel and accommodation arrangements, at their own expense.

(d) Participant Accreditation: The Participant Accreditation process will be determined by the Host Society and the BC Games Society. Individuals should check in at their designated Participant Accreditation site as soon as they arrive in Greater Vernon. No one will be permitted to obtain another participant's accreditation information. All participants in the BC Winter Games must personally check-in by 5:00 pm on Thursday, March 23, 2023. No one will be accredited to participate in the BC Winter Games after that time. Further details on Participant Accreditation process will be posted closer to the Games.

Substitutions

(a) Athletes and Substitutes: The athletes and substitutes in each sport must be registered via the BC Games Online Participant Registration process by the registration deadline. Replacing a registered athlete with a registered substitute may be made no later than Thursday, March 16, 2023 (one week before the Games) only if the substitute was registered as a substitute via the BC Games Online Participant Registration process by the deadline of Monday, February 13, 2023. Under no circumstances will an athlete be permitted to substitute if their name does not appear as a properly registered substitute on reports from the BC Games Online Participant Registration database.

(b) Head Coaches, Assistant Coaches, Adult Supervisors, and Officials: Upon accreditation in the host community, head coaches, assistant coaches, adult supervisors, and officials may be substituted by individuals regardless if the substitute was previously registered or not. The total number of head coaches, assistant coaches, and adult supervisors cannot exceed the total number of coaches allocated for the sport in the technical package. Note every zone must have a head coach and at least one assistant coach. Any other adults registered with a zone team that do not have coaching education certification are registered as "adult supervisors". The number of registered officials may not exceed the number stated in the technical package for each sport. [Click here to see the technical package for each sport.](#)

Replacement Teams and Wildcard System

[Click here for information about the Replacement Team Policy](#) (for team sports) and the [Wildcard Policy](#) (for individual sports).

Registration Fee

The BC Games Society will assess a registration fee of \$175.00 (inclusive of taxes) for

each athlete for participation in the BC Games. Provincial Sport Organizations may charge additional fees for qualifications, training, uniforms, etc. The BC Games registration fee is waived for head coaches, assistant coaches, adult supervisors, and officials. The payment of registration fees to the BC Games Society is made by the Provincial Sport Organization for all athletes in attendance at the Games for their sport, within 30 days of the Games. It is the responsibility of the PSO to collect registration fees from athletes. Some sports assess additional fees to cover qualification events, training, uniforms, etc. Discuss with the Zone Representative or contact the Provincial Sport Organization for details about their sport-specific fees.

Transportation to/from the Games

Chartered bus and/or air travel will be arranged for Games participants who have chosen BC Games transportation, from predetermined zone pick-up points for arrival in Vernon on Wednesday, March 22 or Thursday, March 23, 2023. Charter bus and/or air transportation will depart from Vernon in the afternoon and evening of Sunday, February 27.

Consumption of alcohol, cannabis, and tobacco (including vaping) are NOT permitted on BC Games transportation. Bus drivers have the authority to remove any passengers from BC Games transportation who do not comply with these regulations.

The time and location of departures will be sent to all participants within 10 days of the registration deadline. No cash equivalents will be issued for those who choose to make their own way to/from the Games.

Athletes with a disability should [contact their Provincial Advisor](#) for information about their travel options prior to the registration deadline.

Team Travel

To ensure the safety and supervision of BC Games athletes during travel to and from the BC Games, zone teams must travel together on Games transportation (buses/flights) departing from, and returning to, central pick-up locations. This ensures that every athlete is supervised by an accredited adult (head coach, assistant coach, or adult supervisor) from the time they board a bus/flight until the time they arrive at their destination (the Games or the drop-off location after the Games).

The Zone Representative chooses BC Games Society Staff will allocate a central pick-up/drop-off location(s) for the zone team based on where the majority of participants live. A minimum of one of the accredited adults with the zone team must leave from and return to the selected location(s) with their athletes. The maximum number of

pick-up/drop-off locations is based on the number of adults (head coach, assistant coach, or adult supervisor) associated with the zone team. This ensures that the zone team travels on the same bus(es) or flight(s) and that the athletes have adult supervision throughout the journey. This also ensures that the team arrives at their destination at the same time.

Participants must provide their own transportation to/from the selected pick-up/drop-off locations. The pick-up/drop-off location(s) may not be the closest one to the participants' homes; however, this ensures the safety and supervision of athletes.

Example: The Thompson-Okanagan (Zone 2) team has athletes and coaches from Kamloops, Penticton, Kelowna, Merritt, and Vernon. There are two adults (head coach and assistant coach) associated with the team; therefore, two central pick-up/drop-off locations are chosen, Kamloops and Kelowna. One of the adults will travel from/to each location. BC Games Staff assigns athletes to travel from/to one of the two chosen locations with one of their coaches, even though there may be Games transportation (with other zone teams or sports) departing from/returning to locations closer to their home.

During the registration process, Zone Representatives will select their zone's team travel pick-up/drop-off location(s) (city) by the registration deadline of February 13, 2023.

Accommodation

(a) All participants (athletes, coaches, officials, adult supervisors) under 19 years of age are required to stay in BC Games accommodation. All participants under 19 years must be properly supervised in accommodation by one or more of the adults associated with the zone team; therefore, at least one adult of the same gender must stay in Games accommodation. [See roles of head coaches and assistant coaches and adult supervisors.](#)

(b) Participants (athletes, coaches, officials, adult supervisors) 19 years and over have the option of staying in BC Games accommodation or securing alternate accommodation at their own expense unless they are an adult for the zone team required to supervise under aged participants in accommodation or otherwise stated in the technical package for their sport. Participants who elect to provide their own accommodation will be responsible for:

- the cost of alternate accommodation;
- supplying their own breakfasts and dinners; and

- providing their own transportation while at the BC Games.

The accommodation choice of every participant must be indicated when they are registered via the BC Games Online Participant Registration process by the registration deadline. Those choosing BC Games accommodation are expected to stay for the duration of the Games and will be removed from competition if they depart from Games accommodation before the conclusion of the Games. Refer to section (f) below for rules regarding leaving Games accommodation.

(c) Athletes with a disability and their support personnel have the option of staying in BC Games accommodation or securing other accommodation at their own expense as outlined in paragraph (b) above. Athletes with a disability and their support personnel, who choose alternate accommodation at their own expense, will still have access to breakfasts and dinners in the BC Games cafeteria(s) at no cost. Athletes with a disability should contact their Provincial Advisor for information about their accommodation options.

(d) Head coaches, assistant coaches, and adult supervisors who accompany teams or individual athletes under 19 years of age are required to stay with them in BC Games accommodation and act in a supervisory capacity. Head coaches, assistant coaches, and adult supervisors of teams or individual athletes where all athletes are 19 years of age and over are given an accommodation option as outlined in paragraph (b) above.

(e) Officials who are 19 years and over have the option of staying in BC Games accommodation or securing alternate accommodation at their own expense. If officials choose to stay in alternate accommodation they will be provided with BC Games meals and transportation at the Games. Officials who are under 19 must stay in BC Games accommodation and must have an adult stay with them in a supervisory capacity as outlined in paragraph (b) above.

(f) Leaving Games Accommodation - Any participant who stays in Games accommodation must remain in accommodation for the duration of the Games. Anyone who removes themselves from Games accommodation prior to the completion of the Games (prior to Sunday) will be disqualified from competition and may be subject to additional disciplinary action, this includes coaches. Should participants be finished competition prior to the final day of the Games, they may remove themselves from Games accommodation with the approval of the Provincial Advisor. Any participant removing themselves from Games accommodation is also removing themselves from Games transportation for the travel to their designated drop-off location. This means that they will need to make their own transportation arrangements for their trip home, at their own expense. Participants are permitted to

permanently leave Games accommodation if, and only if, they (or a parent/guardian or the team coach, if under the age of 19) AND the Provincial Advisor signs and submits the required form.

Note: Some sports may require all participants to take BC Games transportation and/or stay in BC Games accommodation. [Refer to the technical package for each sport.](#)

Head Coaches, Assistant Coaches, and Adult Supervisors

Every zone with athletes attending the Games must have a head coach and at least one assistant coach (sports with a disability must have one head coach and at least one assistant coach for the sport). Any additional adults associated with the team (or sport, for sports with a disability) are registered as assistant coaches if they have completed the NCCP Competition Introduction equivalent for their sport, or as adult supervisors if they have not. All head coaches must be NCCP Competition Introduction certified (or the equivalent) unless otherwise specified in the technical package for each sport. All assistant coaches must be Competition Introduction trained (or the equivalent) unless otherwise specified in the technical package for each sport. To assist Provincial Sport Organizations in meeting coach certification requirements, the BC Games Society has implemented a Head Coach Exemption Process which permits sports to submit an exemption application on a zone-by-zone basis. Exemption applications are due March 2, 2023, one week before the registration deadline. [Review the policy for more details.](#) The application form will be provided to Provincial Advisors.

In addition to coaching duties, head coaches, assistant coaches, and adult supervisors are expected to travel with their athletes on BC Games transportation, stay with them in BC Games accommodation, and supervise them throughout the Games. Head coaches, assistant coaches, and adult supervisors are expected to act in a supervisory capacity travelling to/from and at the Games with their athletes and to ensure that their athletes adhere to the BC Games General Rules, the technical package for their sport, the BC Games Code of Conduct, and all rules and codes of conduct established by their provincial sport organization.

Adult Supervisors

Sports are not allocated adult supervisors. This role code is used instead of assistant coach when the individual filling the role of assistant coach is not NCCP Competition Introduction trained (or the equivalent). Adult supervisors act in a supervisory capacity with the zone team and ARE NOT over and above the allocated number of head coaches and assistant coaches allocated per sport and zone. In special circumstances additional adult supervisors may be permitted with a zone team but only with the approval of the BC Games Event Manager responsible for sport. Adult supervisors are expected to support the BC Games rules and to supervise athletes on

their zone team as noted above. Refer to the technical package for the respective sport for the maximum number of coaches allocated to each zone team (or the sport).

All adult supervisors are required to complete the Safe Sport Training module prior to attending the Games. Adult supervisors must be a minimum of 19 years of age and must reside in BC Games accommodation with their zone. They are also expected to travel to and from the BC Games with their zone team, if applicable.

Officials

Transportation to/from the Games, accommodation, and meals will be provided for a predetermined number of officials for each sport as outlined in the technical package. Officials must be named and registered by the Provincial Advisor by the registration deadline. In accordance with the BC Games Society policy, no officials will be paid a fee for their officiating services by the BC Games Society or the Host Society.

In general, major officials (referees, umpires, etc.) are registered as officials through the Provincial Advisor and minor officials (scorekeepers, timers, etc.) are registered as volunteers in the host community.

Others sport representatives (such as a Zone Representative or the Provincial Sport Organization President who has been actively involved in the administration and organization of their sport's involvement in the BC Games) may be registered on the list of officials, by the Provincial Advisor, as long as the maximum number of officials allocated for the sport is not exceeded. The Provincial Advisor must ensure that the officials (referees, umpires, etc.) needed for sport competition have been appointed before naming any other individuals.

[Refer to the technical package for the sport for the maximum number of officials allocated.](#)

Individuals registered as officials who are under 19 are required to stay in Games accommodation and are required to have an adult stay with them in a supervisory capacity.

Medals Rule

Gold, silver, and bronze medals specially cast for each BC Summer and BC Winter Games are awarded at the Games. Medals are awarded to each athlete having competed and placed in a designated medal event. The Medals Rule is based on the principal that there must be competition to award medals and that the medal rule must be applied equally across all sports in the Games. Head coaches, assistant coaches, and adult supervisors are not awarded medals.

Medals are presented in all sports and all events based on the following rule scenarios:

- If only one competitor, no medal is presented
- If two competitors, gold and silver medals are presented
- If three or more competitors, gold, silver, and bronze medals are presented

Medals at the BC Summer and BC Winter Games are presented in the following order:

- Bronze Medal Third Place
- Silver Medal Second Place
- Gold Medal First Place

Only BC Games medals are permitted to be awarded at the BC Games unless pre-approved by the BC Games Event Manager responsible for sport and outlined in the technical package for each sport.

Uniforms and Equipment

(a) Uniforms: Uniforms are the responsibility of each individual or team. All athletes must be properly attired for their sport competition in accordance with their sport's rules. There are restrictions on sponsor logos that can be included on uniforms, clothing, pinnies, bags, etc. worn at the BC Games. There are also policies on when and how the BC Games logo and zone information may be used on these items. Refer to the [Logo Use and Recognition policy](#) and the [Graphic Standards for Participants manual](#) for details. Pre-approval is required on items - [contact the BC Games Society](#).

(b) Equipment: All equipment used during the BC Games must meet the specifications of the governing Provincial Sport Organization. Individuals and/or teams must supply their own practice balls and/or equipment.

(c) Medical Equipment: Each individual or team is to supply their own basic training supplies such as tape, elastic wraps, etc. There will be fully qualified first-aid personnel at each sport location to treat any injuries sustained during competition.

Zone Colours

Colours have been established for each zone for purposes of identification. While these colours are not compulsory for uniforms; however, sports are encouraged to incorporate their zone colour in some manner to help identify their competitors. Click here for [zone descriptors](#) and refer to the [Graphic Standards for Participants manual](#) for zone colour information.

Medical Treatment

The BC Games Society has implemented a [Medical Protocol for the Removal of Injured Athletes from Competition](#).

Head coaches, assistant coaches, adult supervisors, family members, and athletes should also note that BC Games Medical volunteers assigned to each sport venue, in conjunction with the Medical Clinic physicians, are responsible for the treatment of all Games participants. Medical volunteers will be at every sport venue during scheduled practice and competition times and are always the first-responders to injuries. This is the case even if a zone team travels with medical personnel, a trainer, or qualified first aid attendant.

3x3 Basketball-Boys Technical Package

Technical Packages provide details of the eligibility requirements as well as event and competition information. In order to fully understand the rules and requirements for participation in the BC Games, it is expected that the BC Games General Rules will be read in addition to the sport-specific information contained in the Technical Package.

17

Transportation, accommodation, and meals, as arranged by the Host Society, will be provided for officials. See [BC Games General Rules for more information](#).

Athlete Eligibility:

In addition to [BC Games General Rules](#), the sport-specific eligibility requirements noted in this technical package are in effect for the 2022 BC Summer Games.

Athletes wishing to participate in the 2022 BC Summer Games must meet the following eligibility criteria:

1. Be a registered athlete in good standing with BC Artistic Swimming and Canada Artistic Swimming;
2. Not have any outstanding fees/fines payable to BC Artistic Swimming, an affiliate member club, or Canada Artistic Swimming;
3. Meet the age requirements;
4. Pay all required program fees within the specified timelines set out by each zone;
5. Compete in the trials event outlined in this document

Athletes who qualify for the Canada Artistic Swimming National Team and/or BC Artistic Swimming Ignite Gold Team and/or National Stream athletes with a total figure score of 65.1 or higher at their respective Provincial Championship are NOT eligible to participate in the BC Summer Games.

All athletes must be registered as athletes through a club or facility affiliated with BC Artistic Swimming by December 31, 2021. A \$30 minimum fee may be charged at the zone qualification meet. BC Summer Games trials will be held at Mable Moran Provincial Qualifier, dates to be determined.

Trials will consist of a Figures Competition using the same figures as are used at the Games. See BC Artistic Swimming Technical Package for specific trial information and details.

Athletes born in 2005 and 2006 would have had their final opportunity to attend a BC Summer Games in Maple Ridge in 2020. Due to the cancellation of those 2020 BC Summer Games, an additional age category for the 2022 BC Summer Games has been implemented to allow those athletes born in 2005 and 2006 who were **REGISTERED** in the 2020 BC Summer Games Trials the opportunity to attend.

Athletes may not attend more than two BC Summer Games to compete in Artistic Swimming.

Coaching Eligibility:

Note that the role of head coaches and assistant coaches at the BC Games includes travelling to and from the Games with the team/zone, residing with the team/zone in BC Games accommodation, and acting in a supervisory capacity throughout the Games. See [BC Games General Rules](#) for information about the roles of the head coach and assistant coach.

All coaches must comply with [BC Artistic Swimming's Coach Certification Policy](#), which includes appropriate NCCP certification, having completed the Make Ethical Decisions online evaluation and NCCP Making Headway training, a valid vulnerable sector background screening check, and Respect in Sport for Activity Leaders certification.

Head coaches must be Competition Introduction certified and assistant coaches must be Competition Introduction trained. Adult supervisors are required to have completed Safe Sport Training.

BC Artistic Swimming must inform the Provincial Advisor of the head coach and assistant coach no later than January 31, 2022.

Penalties for Routines: A one point penalty shall be deducted from the routine score in the event that:

- the time limit for deck movement is exceeded
- the routine is timed at more than 15 seconds less or more than the time limit allowed
- the athlete uses the bottom of the pool to aide in performing the routine

Equipment:

Coaches will be required to provide MP3 songs via Dropbox two weeks prior to competition. A link to Dropbox will be provided by the Sport Services Coordinator once head coaches have been selected. A 5-second lead in before the music begins should be added.

Professional sound editing is mandatory. Back-up music needs to be at hand at any

time by the head coach (i.e.: on an electronic device with a cord available to play immediately if required)

Zone Selections and Registration Deadline:

Please refer to the [BC Games General Rules for the registration deadline set by the BC Games Society](#). The [BC Games deadline](#) is in effect unless an earlier date is set by the Provincial Sport Organization is specified in this technical package. [See BC Games General Rules for registration procedures](#).

BC Artistic Swimming states that the zone qualification meets will be held concurrently with the 2022 Mable Moran Provincial Qualifier which will be held April 22–24 at City Center Aquatic Complex (CCAC) in Coquitlam. A separate figure event will be held at this championship and zones that do not participate in this meet will need to submit videos of the same qualification figures to BC Artistic Swimming no later than 72 hours prior to the qualification event. Please contact BC Artistic Swimming for further information regarding video submission requirements.

Athletes in each zone will be selected by final figure score in their respective trials. The figures performed for zone selections will be the 2022 BC Summer Games figures.

All zone qualifications must be completed, and a copy of the selection results must be handed in to the Provincial Advisor, no later than April 30, 2022.

Wildcard spaces are allocated by the Sport Development Director in consultation with the Provincial Advisor and BC Artistic Swimming's Executive Director.

The Sport Development Director must complete the online registration no later than June 13, 2022.

Accommodation and Transportation:

Also see [BC Games General Rules](#) for further details about [accommodation](#) and [transportation](#).

It is the BC Games Society policy that all participants under 19 are required to stay in Games accommodation, regardless of where they reside, and that at least one adult of the same gender as the athletes must stay in Games accommodation in a supervisory capacity.

Participants are required to travel to and from the Games with their team, on BC Games transportation, where provided, unless approval for exceptions is received from the Provincial Advisor or BC Artistic Swimming, PRIOR TO the Games.

Medals:

Medals will be awarded in each event within the parameters of the BC Games Society [Medals Rule](#).

Fees:

Venue:

Camp Hughes (Nadsilnich Lake)

Age:

Under 17; Under 19

Age Description:

Under 17 years of age as of December 31, 2022. Athletes must be born in 2006 or later.

Under 19 years of age as of December 31, 2022. Athletes must be born in 2004 or later.

Zone Team Composition:

Each Zone may enter two teams—one U17 team and one U19 team—comprising of seven (7) athletes plus wildcards (see Wildcards section for more information). Athletes may only compete in either the U17 or the U19 age category.

Where a zone cannot bring equal numbers of athletes of each gender, the zone may request permission of the Provincial Advisor to bring more athletes of one gender.

Zones are expected to bring both male and female athletes. Athletes are able to participate in the gender with which they identify.

Wildcards:

32 wildcard spots (no more than 24 of one gender). Wildcard spots will be assigned by the Provincial Advisor.

While zone teams are capped at eight (8) athletes in the U17 age group and four (4) athletes in the U19 age group, the total number of athletes for the sport cannot exceed 88. Zone teams are comprised of up to four (4) core athletes (2 male and 2 female) from the zone. Zones may also bring up to three (3) wildcard athletes (no

more than 2 of one gender) in the U17 category. Zones that can fill all seven of these allocated spots in the U17 category can request an additional wildcard spot. If there are unused wildcard spots the Provincial Advisor may assign additional wildcard spots to some zones. It is the discretion of the Provincial Advisor as to which zones are allocated additional wildcard spots

Maximum Athletes:

88

Coaches:

(See [BC Games General Rules](#) for information about the “adult supervisor” role)

Up to two (2) head coaches and one (1) assistant coach per zone. Zones must have one head coach for the U17 team and one head coach for the U19 team. If there is an additional member of the zone coaching staff, they must be registered as an assistant coach. There must be one male coach and one female coach for each zone.

Every zone must name a head coach and at least one assistant coach (exception: sports for athletes with a disability, which must have one head coach and at least one assistant coach for the sport). If additional adults are named for the zone (or sport) and they meet the certification requirements of assistant coaches, they should be registered with the role “assistant coach”, otherwise they are registered with the role “adult supervisor”. Athlete Eligibility:

In addition to [BC Games General Rules](#), the sport-specific eligibility requirements noted in this technical package are in effect for the 2022 BC Summer Games.

Athletes may compete within either of two distinct age categories, Under 17 or Under 19, but not both.

Every competitor shall be a member of a rowing club recognized by Rowing BC and member in good standing of Rowing Canada Aviron (RCA). Each athlete must be registered as a competitive rower with RCA, and each coach registered as a coach. A RCA number will be required and verified.

Athletes who have participated in rowing in a Canadian National Senior, U23, Junior, or CanAmMex Team, or Canada Summer Games, or Provincial Team at any time are

not eligible to compete in the BC Summer Games.

Athletes may attend only one BC Games in rowing as U17 and one BC Games as U19. U17 athletes are eligible to compete at the following BC Games in the U19 category. Athletes who elect to compete as U19 are not eligible to compete in another BC Games. Athletes may not attend more than two BC Summer Games to compete in Rowing.

Coaching Eligibility:

Note that the role of head coaches and assistant coaches at the BC Games includes travelling to and from the Games with the team/zone, residing with the team/zone in BC Games accommodation, and acting in a supervisory capacity throughout the Games. See [BC Games General Rules](#) for information about the roles of the head coach and assistant coach.

All Head Coaches must be a minimum of RCA Coach (Competition Introduction) certified. Assistant Coaches must be a minimum of RCA LTR Instructor trained. All coaches must have completed the Make Ethical Decisions online evaluation and must be registered as a coach with RCA. Adult supervisors are required to have completed Safe Sport Training.

Athlete Eligibility:

In addition to [BC Games General Rules](#), the sport-specific eligibility requirements noted in this technical package are in effect for the 2022 BC Summer Games.

The BC Rugby Union does not recommend that players be encouraged to play out of their correct age group under any circumstances. However, exceptional players ONE BIRTH YEAR ONLY below the age band may play in the next higher age band team if:

- This BC Rugby Union policy statement has been made clear IN WRITING by the coach to the player's parents and doctor.
- Players MUST have a signed letter from EACH of the player's parent, the player's coach, the player's doctor.
- These letters must clearly state the author(s) fully understands the implications and risks of the player competing in the older age group, and that they each affirm that the player is physically, socially and mentally mature enough to play at that next higher Age Grade.
- Copies of the Coach's letters to the doctor and parents, and the letters from the parents, doctor, and Coach, together with copies of the player's registration form, birth certificate and high school picture ID must be filed with the BC Rugby Union prior to the athlete taking the field in an Age Grade game above his/her natural age band.

All BC Summer Games participants in Rugby must be registered with the BCRU and be members in good standing.

A maximum of six (6) athletes who competed in Rugby at a previous BC Summer Games are permitted to compete for a second time at the 2022 BC Summer Games. Athletes who are attending the Games for the first time will be given priority in selection, where all other aspects of selection are equal. Athletes are not permitted to attend more than two BC Summer Games to compete in Rugby.

Teams are zone all-star teams.

Team composition to be determined by the Selection Committee. Identification camps

will be held throughout the province starting in April 2022, with team selection finalized no later than early June 2022. Final team selection will be the responsibility of a Zone Selection Committee, chaired by the Zone Representative.

Seven-a-side Laws will apply

SUGGESTED 2022 BC SUMMER GAMES ATHLETE/COACH SELECTION PROCESS

Athlete Selection

All clubs in your region are required to submit eligible athletes with current season results from any sanctioned competition within the qualifying period of January 1 to June 12, 2022. Relay lead-off legs and time trials should not be considered for selection. All times should be converted from long course to short course at the following conversion rates: Free 2%, Fly, Back, and IM 2.5%, Breast 3%.

Each zone should identify a Zone Representative to assist in the selection procedure, using the FINA Points chart to rank all submitted times as per below:

- The single highest ranked swimmer in each category be first selected:
 - Freestyle (50, 100)
 - Backstroke (50, 100)
 - Breaststroke (50, 100)
 - Butterfly (50, 100)
 - Individual Medley (200)
- The remaining positions be selected based on the swimmers highest FINA point scores in any of the above events, with a maximum of 3 swimmers being selected for any one category.
- Swimmers will only be ranked in one category.

Coach Selection

The Coach of Record of the swimmer with the highest FINA point score shall be named that zone's head coach. In the event that this coach declines, then the coach of the next highest scoring swimmer will be selected. The assistant coach to be selected by the head coach of the zone and the Zone Representative. The following criteria must be met by the first day of the competition:

- Head Coach: NCCP Fundamentals Coach certified
- Assistant Coaches: NCCP Fundamentals Coach trained

Wildcard spaces are allocated at the discretion of the Provincial Advisor.

Accommodation and Transportation:

Also see [BC Games General Rules](#) for further details about [accommodation](#) and [transportation](#).

It is the BC Games Society policy that all participants under 19 are required to stay in Games accommodation, regardless of where they reside, and that at least one adult of each gender must stay in Games accommodation in a supervisory capacity.

Events Categories:

Age categories:

- 10–13 female

- 10–13 male
- 14–17 female
- 14–17 male

Competition in the following disciplines will be held in each age category:

- Wakesurf
- Wakeskate
- Wakeboard
- Slalom
- Trick
- Jump

Scoring: Scores for each discipline will be calculated relative to field and points are awarded to the zone team for each event. Points will be tallied and awarded on a team basis.

Equipment:

Athletes must supply their own skis.

Zone Selections and Registration Deadline:

Please refer to the [BC Games General Rules for the registration deadline set by the BC Games Society](#). The [BC Games deadline](#) is in effect unless an earlier date is set by the Provincial Sport Organization is specified in this technical package. [See BC Games General Rules for registration procedures](#).

Competition will be a zone team format. Zones are encouraged to have at least one athlete in each discipline. Each athlete may not compete in more than three disciplines.

Zone teams are picked from results from the previous year sanctioned events. Results from 2021 in any sanctioned event will go towards qualification for the 2022 BC Summer Games based on the divisions above. If required, any tournament in 2022 will also qualify as long as the event is held 7 days before the BC Games registration deadline.

All registration must be completed using the BC Games Participant Online Registration by the zone reps/head coaches by June 10, 2022.

Accommodation and Transportation:

Also see [BC Games General Rules](#) for further details about [accommodation](#) and [transportation](#).

It is the BC Games Society policy that all participants under 19 are required to stay in Games accommodation, regardless of where they reside, and that at least one adult of the same gender as the athletes must stay in Games accommodation in a supervisory capacity.

Medals:

Medals will be awarded for zone team competition based on zone team member performance in each category. The point system for scoring will be available from Water Ski Wakeboard BC closer to the Games.

In addition, medals will be awarded for each discipline in each category.

Medals will be awarded within the parameters of the BC Games Society [Medals Rule](#).

Fees:

[See the BC Games General Rules for current BC Games registration fees](#). Note that fees are assessed for athletes only (coaches, adult supervisors, and officials do not pay this fee). Sports may assess additional fees to cover training, uniforms, qualification event(s), etc. Please contact your Provincial Advisor or the PSO for more details. Fees are collected by the sport and paid to the BC Games Society upon invoice after the Games.

Athlete Eligibility:

In addition to [BC Games General Rules](#), the sport-specific eligibility requirements noted in this technical package are in effect for the 2022 BC Summer Games.

Participants must be members of BCWA. To register, send name and address to BC Wrestling Association via email at info@bcwrestling.com

Wrestlers who placed 1st, 2nd, or 3rd at any Canadian Juvenile or Junior National Championship are not eligible to participate in the BC Summer Games. The only exceptions to this are those athletes who had fewer than 6 participants in their weight class at the National Championship. Exceptions must be approved by the Provincial Advisor.

Athletes who have been selected and competed for Canada as a member of the Canadian Cadet National Team at the Cadet World Championships or Pan American Championships are not eligible to compete at the BC Summer Games.

Wildcard positions will be given to athletes who are unsuccessful in qualifying for the zone teams. These athletes must submit an application form to BC Wrestling through their Zone Representative in order to be considered. The 24 athletes with the highest tournament points from the current season (Provincial Development Plan) will be awarded the wildcard spots.

Coaching Eligibility:

Note that the role of head coaches and assistant coaches at the BC Games includes travelling to and from the Games with the team/zone, residing with the team/zone in BC Games accommodation, and acting in a supervisory capacity throughout the Games.

Weight Classes

Boys: 45kg, 48kg, 51kg, 54kg, 57kg, 60kg, 63kg, 66kg, 70kg, 74kg, 78kg, 84kg, 90kg, and 110kg (maximum)

Girls: 47kg, 51kg, 54kg, 57kg, 60kg, 64kg, 69kg, 75kg, and 90kg (maximum)

Weigh-in: Each athlete will weigh-in after their zone has been accredited. There will be a 1 kg allowance.

Each zone should attempt to have one athlete for each weight class, within the permitted zone team composition, and must not have more than two athletes in the same weight class. Where a zone has more than two athletes in the same weight class, the zone head coach will select the athlete(s) to be moved up to the next higher weight class. No athlete can be moved up to Boys 110kg or Girls 90kg if the athlete does not meet the minimum weight requirement of 90.1kg for boys and 75.1kg for girls.

Rules: Contact Provincial Sport Organization. (BCSSWA High School Rules)

Team Classification

Individual Competitions:

At the BC Summer Games, team points will be awarded in each weight class. The top 14 (wildcards can be used as long as not more than 14) placing wrestlers from each zone in a given weight class, will be awarded team classification points.

- 1st – 16 points
- 2nd – 12 points
- 3rd – 9 points
- 4th – 6 points
- 5th – 3 points
- 6th – 1 point

Any weight class, involving boys or girls, that has fewer than six participants in the BC Games will not have their team points calculated from the top of the team point scale above. Instead, team points would count from the bottom of the scale if there are

fewer than six participants. Example: If there are three participants, 1st would receive 6 points, 2nd would receive 3 points and 3rd would receive 1 point. (AGM 2004)

Team Dual:

Team dual will take place prior to the individual competition. Results may be used to determine seeding for the individual competitions. Teams may be combined to create a dual team, except for the top three Zones from the 2018 BC Summer Games. If available, the top Zones from the 2018 BC Summer Games will receive byes for the first round of the single elimination tournament, with priority to the higher placer. Athletes may be moved up a weight class to fill vacant positions but can only compete in one weight class for each round of the tournament.

Team dual results will not contribute to team classification points.

In the event of a tie between two teams, the placing will be determined by using the following tie-breaking criteria. Each step shall be applied until the tie no longer exists.

- the team with the most 1st place finishes
- the team with the most 2nd place finishes
- the team with the most 3rd place finishes
- the team with the most 4th place finishes
- the team with the most 5th place finishes
- the team with the most 6th place finishes

If a tie still exists, it shall be recorded as such. In the event of a tie between more than two teams, use the tie-breaking criteria listed above until one place can be determined. Then start over and use the criteria to break the remaining tie(s).

Equipment:

Zone Selections and Registration Deadline:

Please refer to the BC Games General Rules for the registration deadline set by the BC Games Society. The BC Games deadline is in effect unless an earlier date is set by the Provincial Sport Organization is specified in this technical package. See BC Games General Rules for registration procedures.

The BC Wrestling Association states that wrestlers must qualify through the Zone Representative or coach/manager if not affiliated with an existing team.

Zone selections must be made by May 31, 2022.

It is incumbent on coaches to select athletes who have demonstrated that they possess the skill and technique required to compete at the BC Games.

Accommodation and Transportation:

Also see [BC Games General Rules](#) for further details about [accommodation](#) and [transportation](#).

It is the BC Games Society policy that all participants under 19 are required to stay in Games accommodation, regardless of where they reside, and that at least one adult of the same gender as the athletes must stay in Games accommodation in a supervisory capacity.

Medals:

Medals will be awarded within the parameters of the BC Games Society [Medals Rule](#).

Medals will also be awarded to the top teams based on a zone team competition.

Fees:

[See the BC Games General Rules for current BC Games registration fees](#). Note that fees are assessed for athletes only (coaches, adult supervisors, and officials do not pay this fee). Sports may assess additional fees to cover training, uniforms, qualification event(s), etc. Please contact your Provincial Advisor or the PSO for more details. Fees are collected by the sport and paid to the BC Games Society upon invoice after the Games.
